Access to Quarry 6 — Concerns

① Condition of Maroela road and Lalapalm street.

We have already a lot of traffic on these roads.

As it is it's terrible. Additional trucks will leave us with impassable roads.

② School Children

There are several bus stops on the road with children walking next to the road. Lalapalm is narrow and it will be dangerous for the children.

③ Use of explosives ? for mining

④ Dust

I'm not against the use of the Quarry, but steps must be taken to keep the road in a good condition and avoid accidents.
