Dear Christa,

Thank you for providing GA Environment with your comments. You will be registered as and Interested and Affected Party and your details will be included on the Stakeholder database. GA Environment will be providing you with all relevant information, including the draft Basic Assessment Report, upon availability. Please note that we will follow up with a second response which will address your concerns.

Kind Regards

kirthi

Name: Christa

Surname: Droste

Organisation: Private

Residential address: Plot 857, Pumulani

Tel Number 071 605 1968

Email address: ariste.photos@gmail.com

We have serious problems with the proposed quarry in terms of the roads and the extreme dust and noise levels that will go with the mining.
