Subject: RE: SANRAL R573 Upgrade-Quarry 6A (Availability of the Draft Environmental Impact Report)
Date: Tuesday, 22 June 2021 12:28:00

Dear Mr Mollemen,

As per correspondence provided on the 27th of May 2021, stakeholders were informed of the availability of the Draft Environmental Impact Report for the proposed Mining of Quarry 6A associated with the upgrade of National road R573 (Moloto Road), Gauteng province. The closing date to provide comments is the **28th of June 2021**.

Should GA Environment not receive your comments by the **28th of June 2021**, GA Environment will conclude that you don't not have any comments on the Draft EIR.

The report and the appendices can be downloaded by copying the link below onto your browser.
