---

Dear Steven,

Thank you for providing GA Environment with your comments. The comments provided will be included in the Final Scoping Report for consideration by the Department of Mineral Resources and Energy. A response to your comments are provided below.

The comments provided have been received by GA Environment. The email address used: AppealsDirectorate@environment.gov.za is not a GA Environment email address and this email address can only be used for lodging appeals following the issuing of a decision by the Competent Authority. GA Environment are independent Environmental Assessment Practitioners that have been appointed by KBK Engineers on behalf of SANRAL to undertake the Environmental Authorisation application process. The email address that was used is for the National Department of Environment Forestry and Fisheries that provides leadership in environmental management, conservation and protection towards sustainability for the benefit of South Africans and the global community

The decision-making authority (Competent Authority) for the proposed Quarries is the Department of Mineral Resources and Energy (DMRE). The Scoping and EIA Process undertaken to seek Environmental Authorisation for the proposed quarries makes provision for public participation, which includes the opportunity for Interested & Affected Parties (I&APs) to raise their concerns. Should Authorisation be granted by the DMRE for the quarries, all registered I&APs will then be granted an opportunity to appeal the decision. Currently the project is in the scoping phase and a decision has not yet been reached by the Competent Authority (DMRE). However, your comments provided will be captured and responded to in the Final Scoping Report for the DMRE to provide their decision.

Thank you for your valuable input. Fundamental project assessments were undertaken by the Gauteng Department of Roads and Transport and SANRAL to assess provincial and national traffic as well as safety needs prior to commissioning of this project. The upgrade of the Moloto Road is aimed at addressing the safety, mobility functions and to ensure that reasonable access is provided to adjacent properties and areas to enable the future land use development.

Kind Regards

 Kirthi Peramaul

Hi Kirthi

Thanks.

I resent the appeal yesterday to 'environment@gaenvironment.com' Is this the correct address? If not, please forward the correct one before the 18<sup>th</sup>.

Thanks,  
Steven

Hi Kirthi

I sent my comments to the appeals directorate at [AppealsDirectorate@environment.gov.za](mailto:AppealsDirectorate@environment.gov.za) and from there I cc'd you. Was I correct in doing so i.e. are Appeals the GA Environment?

Steven

Dear Stakeholder,

As per the notification below, kindly please provide GA Environment with your comments no later than the 18th of January 2021.

Should GA Environment not receive your comments by the 18th of January 2021, we will conclude that you have no comments to make on the proposed development.

We look forward to your further participation in the project.

Kind Regards

**Subject:** PROPOSED MINING OF QUARRY 6A ASSOCIATED WITH THE UPGRADE OF NATIONAL ROAD R573 (MOLOTO ROAD)

Dear Stakeholder,

Further to the initial communication notifying you of the Proposed Mining of Quarry 6A associated with the upgrade of National

road R573 (Moloto Road), Gauteng province. GA Environment (Pty) Ltd would like to inform you that a hardcopy of the draft Scoping Report for the project has been compiled and is available for your review.

The 30 day legislated public review period commenced on the **20<sup>th</sup> of November 2020** and will end on the **18<sup>th</sup> of January 2021**. The report and appendices can be accessed using the following link.

<http://gladafrika.com/proposed-mining-of-quarry-6a-r573-upgrade-dsr/>

Kindly note that the draft Scoping report is available at the following Venue, and the report shall not be removed from the venue.

Venue	Address
Roodeplaas Library	Behind the Kameeldrift Police Station

All comments on the Draft Scoping report shall be submitted to GA Environment (Pty) Ltd by no later than the **18<sup>th</sup> of January 2021** for the attention of Kirthi Peramul through the use of the following means, **Tel:** 011 312 2537, **e-mail:** [kirthip@gaenvironment.com](mailto:kirthip@gaenvironment.com) or [environment@gaenvironment.com](mailto:environment@gaenvironment.com).

Should you have any questions about any of the above, please do not hesitate to contact us. We look forward to your further participation in the project.

Kind Regards
