Dear Sonja,

Thank you for providing GA Environment with your comments. You will be registered as an Interested and Affected Party and your contact details will be included on the Stakeholder database. Your comments have been noted, and will be captured in the Draft Scoping Report. The Draft Scoping report will be made available for public review. You will be notified of the review period as well as the availability of the Draft Report.

To whom it may concern,

Please find my comments relating to the proposal and Notice of Environmental Impact Assessment and Water use authorisation process for the proposed mining of quarries 6A & 6B associated with the upgrade of the National Road R573 (Moloto Road).

Please acknowledge receipt of this e-mail.

Regards
