Good afternoon Kirthi,
thank you for the letter.

Please send more information regarding the expected impact on the rural roads in the Kameeldrift and Rynoue agricultural holdings.

Which roads will be used to transport the mined aggregate to the construction areas?

How many people will be employed by the quarries?

Are new residential areas being created for the quarry employees?

Please also forward me the list of Interested and Affected Parties currently registered.

thank you,

Zak Labuschagne

Subject: Registering of interest - Quarry 6A & 6B

Good evening Mr/Ms Peramaul,

I hereby want to register as an interested and affected party and request that you send me more information regarding the proposed operations and logistics of these potential quarries.

I saw your notice by chance today, as it is almost hidden on a portion of road very rarely used by the majority of residents in this area.

Please send the information urgently.

Thank you,

Zak Labuschagne
