Subject: RE: PROPOSED MINING OF QUARRY 6A ASSOCIATED WITH THE UPGRADE OF NATIONAL ROAD R573 (MOLOTO ROAD)

Dear Tebogo,

As discussed telephonically, the draft scoping reports for Quarry 6A and 6B has been received by the department.

However, PHRAG will only comment on the proposed project once a Heritage Impact Assessment is submitted. This will however be during the EIA phase.

Kindly confirm if GA Environment's understanding is correct.

Kind Regards

 Kirthi Peramaul
