Dear Amukelani,

Hope you are well and thank you very much for the attached information.

Please can you advise what process is required as SANRAL is proposing to mine on these farm portions in order to obtain gravel material for the upgrade of the Moloto Road.

- Remainder of the Farm Doornpoort 295 (privately owned land)
- Portion 2 of the Farm Jakkalsdans 243 (land owned by South African Government)

A land acquisition process will be followed by SANRAL, however please advise what process shall be followed since there is a land claim on the above two properties.

Kind Regards
