

**SANRAL  
R101 ROAD UPGRADE  
SECTION 8 FROM  
BELA BELA TO MODIMOLLE**

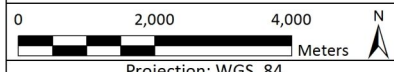

**POTENTIAL  
CONSTRUCTION CAMPS**

- Assessment Area (500m Buffer)
- National Road
- Provincial Road
- Potential Construction Site Establishment

N.B: The identified four (4) potential construction site establishment areas were identified based on information obtained from the specialists and site assessments undertaken by the Environmental Assessment Practitioner. These are by no means final areas where construction material and plant will be located. The areas must undergo the processes indicated in the EMPr.

N.B: The Specialist Study Area was exaggerated to a corridor of 300m (Heritage and Biodiversity) and 500m (Wetland and Aquatics) to obtain a holistic sensitivity of the area
