Subject: Invitation to Register and Comment - Proposed Upgrade of National Road R101 Section 8

Dear Stakeholder,

I introduce myself as Mr Vukosi Mabunda, an Environmental Assessment Practitioner representing GA Environment (Pty) Ltd. GA Environment has been appointed by BVi Engineers (Pty) Ltd on behalf of the South African National Roads Agency SOC Ltd (SANRAL) as the Independent Environmental Consultants to undertake a Basic Assessment Process and Water Use Authorisation processes for the Proposed Upgrade of National Road R101 Section 8 from Bela Bela (km 0.0) to Modimolle (km 26.8), Waterberg District Municipality, Limpopo Province.

You are being formally informed of the proposed development as the District Municipality (Waterberg District) of the proposed study area and you are hereby formally notified in terms of Regulation 41(2) (b) (iii) of the National

Environmental Management Act (NEMA), 1998 (Act No. 107 of 1998) Environmental Impact Regulations, 2014 as amended.

Kindly find attached a Notification Letter of the proposed project as part of the Public Participation Process. This Notification is also in terms of the directions regarding the measures to address, prevent and combat the spread of the COVID-19 relating to the National Environmental Management Permits and Licences issued by the Minister of Environment, Forestry and Fisheries on 05 June 2020 (available on request).

We will appreciate your input, assistance and/or information we may require on this project. In addition, you will be provided with a copy of the Draft Basic Assessment Report (DBAR) for comments and input.

We are looking forward to your further participation on the project. Please do not hesitate to contact us should you have any queries about any of the above.

Best Regards,

Vukosi Glen Mabunda
Geographic Information Systems Specialist/
Environmental Assessment Practitioner
